**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that uses high speed internet at home. I went with Sonic, a small independent ISP, because of the high prices and poor customer service in the big providers (Comcast, AT&T). We had DSL previously and the service was terrible. If there was no competition there would be no incentive for the big providers to improve service or to not price-gouge.
